Classes and work in Moore Hall will be remote today due to ongoing disruptions. Law enforcement is stationed around campus to help promote safety. Student Affairs has staff on campus to support our students.

[Per updated Academic Senate guidance on instruction](#) , faculty may continue to conduct courses remotely at their discretion through Friday, May 10, without the need for departmental authorization. Students will hear from instructors directly.

Employees with offices in Moore Hall are encouraged to work remotely wherever possible and should consult with their supervisors.

Law School exams will continue as scheduled. UCLA Extension resumes in person.

Please continue to avoid the area of Royce Quad between Royce Hall and Powell Library while Facilities Management continues repairs. Access to Royce Hall and Powell Library will be provided through back and side entrances. Access to Kaplan and Haines halls will not be impacted. ADA access will be maintained for all buildings in the area.

All other campus operations remain regular at this time.
